IS IT RHEUMATISM?

Aren't You Really on the Wrong Track?

A good share of so-called rheumatism is caused by weak kidneys. When the kidneys fail to clear the blood of uric acid, the acid irritates the delicate nerves. Torturing pains start through the affected part whenever it is moved. By strengthening the kidneys, Doan's Kidney Pills have proven their worth in thousands of so-called rheumatic cases, lumbago, sciatica, gravel, and urinary disorders. Doan's are well known in Norway and warmly recommended by Norwegian people. Read this Norway case:

Mrs. F. L. Starbird of South Paris, who formerly lived in rear Beals Hotel, says: "Doan's Kidney Pills have been an old standby with me for years. At times my kidneys don't act as they should or my back aches. I often have blinding dizzy spells and rheumatic trouble when my finger joints seem to swell and are painful. I always use Doan's Kidney Pills at these times and they quickly relieve and cure me of the attack. I can't say enough in praise of Doan's."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Starbird had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

BOY SCOUT NOTES

Building Scout Headquarters

There is no question but what Mexico is alive to Boy Scout work. The local Scout board in charge of Scouting in the town has as its president, E. H. Dorr and as secretary, John Johnson. The local board have been good backers and taken active interest in the work. There are two troops of Scouts of around 50 in number and moving steadily ahead. Walter Wight No. 1 and S. P. Strout No. 2 are the two scoutmasters in direct charge of the troops and are making good at the job.

The outcome of the year's work is that the building of a scout headquarters is well underway. This could not be accomplished without the backing of the citizens of the town who have been very generous. This proves that the citizens are behind their boys and realize the value of scouting as a developer of character and American citizenship.

S. P. Strout has succeeded Russell Morgrage as scoutmaster and has Troop No. 2 well underway. Half of the troop were members of the Oxford County Scout Camp this year and made a very creditable record, 5 scouts gaining advance degree badges (Albert Drouin, Howard Keyo, Donald Newton, Joseph McLafferty and Frank Haines.)

Locke's Mills Scouts Active

The Locke's Mills Scouts are unquestionably advocates of Scouting and believe in following it to the last degree. Merit badge work in scouting is a goal every scout aspires to connect with. Several Locke's Mills Scouts are well underway, Irvin Mason, Eben Rand, Winnifred Swan, and Harry Packard, now L. M. formerly Troop No. 1, B. Pond, have several merit badges to their credit and working hard on others.

Stanley Bartlett of Locke's Mills is working with the scouts. Mr. Bartlett is a former L. M. scout and back from the University of Idaho. He has followed Scouting farther than the average and is well qualified to boost the Merit Badge work in the troop.

Troop No. 1, Locke's Mills regrets the loss of their scoutmaster of the past year Lee Pettigall, Supt. Tibbetts Spool Mill and former Bowdoin College graduate. Under Mr. Pettigall's leadership, the troop has made tremendous gain and have forged ahead steadily. Great stress has been laid on out-of-door Scouting and 9 different hikes have been taken during the past year. All these hikes have emphasized some phase of Scouting. The last hike previous to Mr. Pettigall's leaving town was the hike to Mt. Spec. Every Scout except one went on the trip (two-day) and a great time was had. The troop stopped overnight at the Rangers' cabin and next morning continued to the top where several scout tests were passed. Three scouts took their first class swimming test in the ice-cold water of Spec Pond. On return to the Cabin everyone "turned to", and cleaned up the grounds and started the return trip home.

Buckfield Boy Scouts Start Fall Season Troop No. 1, Buckfield, is well underway in Scout work this fall and looking forward to a great season. Scoutmaster Carl Fuller, Principal of Buckfield high school and star shortstop on Twin Towns ball team '21 and '22, has charge of the troop and is working a fine system for progressive scouting. A definite program throughout the year is the Buckfield aim and certainly promises well for the future.

The first four weekly meetings have been well attended (95 per cent.) and have consisted of a varied program with Scoutwork given the preference. October 13th took up Outdoor Training for the late afternoon program with Athletic sports following. October 17th took up Scout's Pace and First Aid followed by a volley-ball game between two scout teams.

Wendall Allen and Sidney Hutchinson were elected Patrol Leaders at the last meeting. Both scouts are well advanced in scout work. Arthur Hutchinson, assistant to Mr. Fuller, and the two Patrol leaders were members of the Oxford County Scout Camp this year and showed their fitness for the work ahead of them this winter.

The Laxative with 72 Years' Reputation

For The Whole Family

Dr. True's Elixir

The True Family Laxative

Mothers with their home worries are often irregular at meals—have no appetite—are often restless at night—are tired and are troubled with distressed stomachs—need a prompt, pure herb laxative, and such is Dr. True's Elixir, the True Family Laxative.

The working man is apt to neglect his health; may eat too hurriedly and at irregular hours. Often this puts the bowels out of order—they fail to function properly—causing fretfulness, taking away the appetite, slowing down the active mind. To relieve these conditions, have a bottle of Dr. True's Elixir handy.

Use it as others have done during the past 70 years.

When the children are out of sight they often eat too many sweets or rich foods. This brings on constipation in many cases.

Watch these symptoms: Constipation, sour stomach, cramps, eyes heavy and dull, bad breath, restlessness, and biliousness. These are common to both children and grown-ups and call for prompt use of a laxative.

Mrs. F. E. Smith, 112 Huntington Ave., Boston, says: "I have been taking Dr. True's Elixir for constipation and find it to be more effective than anything I have ever used."

Use the True Family Laxative, Dr. True's Elixir. 40c, 60c, \$1.20.

The last hike previous to Mr. Pettingall's leaving town was the hike to Mt. Spec. Every Scout except one went on the trip (two-day) and a great time was had. The troop stopped overnight at the Rangers' cabin and next morning continued to the top where several scout tests were passed. Three scouts took their first class swimming test in the ice-cold water of Spec Pond. On return to the cabin everyone "turned in" and cleaned up the grounds and started the return trip home.

Buckfield Boy Scouts Start Fall Season

Scoutmaster Carl Fuller, Principal of Buckfield high school and star shortstop on Twin Towns ball team '21 and '22, has charge of the troop and is working a fine system for progressive scouting. The Laxative with 72 Years' Reputation For The Whole Family

Dr. True's Elixir

The True Family Laxative

Mothers with their home worries are often irregular at meals—have no appetite—are often restless at night—are tired and are troubled with distressed stomachs—need a prompt, pure herb laxative, and such is Dr. True's Elixir, the True Family Laxative.

The working man is apt to neglect his health; may eat too hurriedly and at irregular hours. Often this puts the bowels out of order—they fail to function properly—causing fretfulness, taking away the appetite, slowing down the active mind. To relieve these conditions, have a bottle of Dr. True's Elixir handy.

Use it as others have done during the past 70 years.

When the children are out of sight they often eat too many sweets or rich foods. This brings on constipation in many cases.

Watch these symptoms: Constipation, sour stomach, cramps, eyes heavy and dull, bad breath, restlessness, and biliousness. These are common to both children and grown-ups and call for prompt use of a laxative.

Mrs. F. E. Smith, 112 Huntington Ave., Boston, says: "I have been taking Dr. True's Elixir for constipation and find it to be more effective than anything I have ever used."

Use the True Family Laxative, Dr. True's Elixir. 40c, 60c, \$1.20.

The Standard of Comparison

A "Four" That Sets a New Standard

The 1923 Buick Four Touring—\$885

In beauty of appearance, dependability and economy of operation the Buick four-cylinder, five-passenger Touring has established an entirely new standard for four-cylinder cars.

Its low body with its clean, straight lines, accentuated by the high radiator and straight hood, give it a long, racy appearance that is new to cars of its class. Massive crown fenders add to this distinction, as do the snug-fitting, shapely top and the handsome drum-type head and cowl lamps.

And with this beauty has come a new riding comfort. The seats are deep and low with full leg room in both compartments. The steering column has been changed in position to increase driving ease and the gear shift lever has been raised to meet the driver's hand. A transmission lock, a windshield adjustable from the inside, and a transmission-driven speedometer likewise are among the many new refinements of this model.

Material changes also have been made in motor, chassis and body construction which contribute still further to the wonderful performance record characteristic of Buick cars for twenty years.

Distinctive Head Lamps

Drum-type head light and parking lamps are among the new refinements of all 1923 Buick models, both fours and sixes.

The Buick Line for 1923 comprises fourteen models: Fours—2 Pass. Roadster, \$885; 5 Pass. Touring, \$885; 5 Pass. Coupe, \$1175; 5 Pass. Sedan, \$1395; 5 Pass. Touring Sedan, \$1395. Sixes—2 Pass. Roadster, \$1175; 5 Pass. Touring, \$1195; 5 Pass. Touring Sedan, \$1395; 5 Pass. Sedan, \$1395; 4 Pass. Coupe, \$1395; 7 Pass. Touring, \$1435; 7 Pass. Sedan, \$2195; Sport Roadster, \$1695; Sport Touring, \$1675. Prices f. o. b. Flint. Ask about the G. M. A. C. Purchase Plan, which provides for Deferred Payments.

MAN GIVES WIFE

GLYCERINE MIXTURE

She had stomach trouble for years. After giving her simple buckthorn bark, glycerine, etc., as mixed in Adler-ika, her husband says: "My wife feels fine now and has gained weight. It is wonderful stomach medicine." Adler-ika acts on BOTH upper and lower bowel, removing foul matter which poisoned stomach and which you never thought was in your system. EXCELLENT for gas on the stomach or chronic constipation. Guards against appendicitis. The impurities it brings out will surprise you. Frank Kimball, Druggist.
